Submission Deadline
9 Jan 2015

Student ePortfolio Award

Share your exciting learning journey with ePortfolios

All Undergraduate Students

Aims of Student ePortfolio Award

The Student ePortfolio Award aims to engage students in managing their own learning with ePortfolios and recognize students with outstanding ePortfolios.

How to join?

Tailor-make your ePortfolio on Mahara, or choose the ePortfolio you have already created for your academic courses and/or overseas exchange programmes for submission to the Award. Your ePortfolios should be well organized and can demonstrate your learning process and outcomes with reflections.

What can you include in your ePortfolio?

Important Dates

Jan 9, 2015 Submission Deadline

Jan 26, 2015 Awardees Announcement

Mar 20, 2015 Learning & Teaching Festival (Award Ceremony)

Prizes

Outstanding Award
3 Outstanding Awardees will be awarded
ASUS Zenbook (UX32LN) with certificate

Merit Award
8 Merit Awardees will be awarded
ASUS Fonepad 7 (FE170CG) with certificate

Hurry Up!!!
Early Submitters
The first 50 students submitting their ePortfolios through the website will receive a gift.

Don't hesitate! Take action right now!

For more information, go to our website (http://www.ied.edu.hk/eportfolios/award/) or scan the QR Code on the right. It's your time to start planning and building your ePortfolio. Don't miss this excellent chance to showcase your exciting learning journey and win the fabulous prizes!

Things to consider...

Depth of Reflection

- Reflect on the specific area(s) of study/ learning activities
- Describe how the learning activities related to the expected learning outcomes, personal learning objectives & personal growth
- Support viewpoints and interpretations with examples/ evidences of learning.
- Include plans for improvement

Quality of Writing

- Present ideas/ thoughts in a coherent and logical manner with examples
- Check spelling and grammar

Layout and Organization

- Design and layout should be consistent throughout the ePortfolio
- Organization of the page(s) should be well-balanced
- Compile all pages into a *collection* (if more than one page)

Uses of Artifacts

- Well labeled and relevant to the content of the page
- Include evidences of learning *(e.g. essays, project presentations, photos of the learning activities)*
- Copyright issues: If graphics/pictures were copied from external parties, source should be included

My ePortfolio...

- Is personalized with profile picture/ icon, self-description and individual learning goals;
- Demonstrates the learning process and outcomes on the specific area(s) of study *(e.g. major courses, co-curricular courses, field experience, exchange program and Internship)* with evidences of learning;
- Is easy to read and inspiring as a whole.
